

Expert Turnaround Advisory

Your Partner in Business Recovery

About Us

Trusted Partner for Owner-Led Businesses in Crisis

Our mission is to empower owner-led businesses to regain control of cash, profit, and decision-making through focused restructuring and turnaround strategies.

We envision a landscape where every business leader confidently navigates complexities to

achieve sustainable growth and profit.

Paraic Bergin is a premium restructuring and turnaround advisor dedicated to helping owner-led businesses regain control. With a focus on cash management, profit recovery, and clarity in decision-making, Paraic takes a hands-on approach to complex challenges.

Our services include restructuring mandates, turnaround execution advisory, and financial oversight, all tailored to support business leaders. With years of experience and a track record of success, we are recognized for delivering high-impact results in challenging situations.

We specialize in revitalizing businesses under pressure, ensuring clarity and accountability for lasting performance improvements.

Key Achievements and Innovations

Our Successes in Driving Business Transformations and Recovery

Proven Track Record

Successfully improved performance for numerous businesses facing financial and operational challenges.

Extensive Industry Experience

Over two decades of experience in restructuring and turnaround within diverse sectors.

Established Trust

Built lasting partnerships with CEOs and stakeholders who value our honest and practical approach.

Effective Methodologies

Developed proven frameworks for diagnosing issues and executing successful turnaround plans.

Integrity, Accountability, and Performance-Driven Approach

Core Values

We believe in transparency and integrity, providing honest assessments and actionable strategies. Accountability is at our core, ensuring we deliver on our promises and foster a culture of ownership within the teams we work with.

Our ethical principles guide every decision, emphasizing the importance of trust, respect, and professionalism in all interactions with clients and stakeholders.

We prioritize results-driven methodologies, continuously refining our processes to support our clients in achieving not just recovery, but enduring success.
